Foundations offers a 5% sibling tuition discount for the second or third child of multiple student families and will be assessed to the siblings same or lowest tuition. Parents remain financially responsible for all tuition and fees in the event scholarship funding is terminated for any reason. Tuition is subject to increase 3-5% annually to attract and retain degreed, quality teachers and in accordance to the standard increase of living. For students enrolling after initial date, the tuition rate will be prorated. Tuition amounts may be different from the above figures based on the date FACTS tuition agreement was created, activated, and authorized for automatic withdrawals.
